The Court orders that the motion for reconsideration is DENIED. Appellant has not established that the relevant decision of a Department of Corrections hearing officer is directly appealable to this Court either by right or by leave granted. MCR 7.203(B)(3) does not allow for this Court to grant leave to appeal as to any final order of an agency, but only as to a “final order of an administrative agency or tribunal which by law is appealable or reviewable by the Court of Appeals or the Supreme Court.” Appellant cites no law that allows for filing an appeal directly in this Court as to decision of a Department of Corrections hearings officer.
